

**THE UNIVERSITY OF NORTH CAROLINA
AT
CHAPEL HILL**

**TASK FORCE
ON
LANDSCAPE HERITAGE & PLANT DIVERSITY
2nd EDITION**

**APPROVED BY THE CHANCELLORS BUILDINGS AND GROUNDS COMMITTEE
February, 2005**

This report is the product of a more than one-year-long effort from concerned members of the University of North Carolina community to ensure that the culturally, historically, and ecologically significant trees and landscaped spaces of the Chapel Hill campus are preserved and maintained in a manner befitting their beauty and grandeur.

At the time of this writing, Carolina is in the middle of the most significant building and renovation period in its history. Such a program poses many significant challenges to the survival and well-being of our cherished trees and landscapes. This report attempts to identify, promote awareness, and provide guidelines for both the protection and enhancement of the grounds of the University of North Carolina at Chapel Hill.

Furthermore, this report is intended to work within the framework of two earlier documents that help guide development of the campus: the *2002 UNC Master Plan* and the *1997 Report of the Chancellor's Task Force on Intellectual Climate at UNC*. We hope that members of the university community as well as outside consultants and contractors will find this information both useful and pertinent.

The Taskforce on Landscape Heritage and Plant Diversity

The Taskforce on Landscape Heritage and Plant Diversity

TABLE OF CONTENTS

INTRODUCTION

SECTION ONE

I.	CHARGE TO THE TASK FORCE.....	1-2
II.	TASK FORCE RECOMMENDATIONS.....	1-3
III.	WHO SHOULD USE THE REPORT.....	1-5
IV.	UNIQUE CHARACTER OF CAROLINA'S HISTORIC CAMPUS LANDSCAPE	1-6
V.	A VISION FOR THE PRESENT AND FUTURE CAMPUS LANDSCAPE	1-11

SECTION TWO

I.	DEFINITIONS.....	2-1
	A. Heritage Trees	
	B. Landmark Spaces	
	C. Designated Officials	
II.	DESIGNATION CRITERIA AND PROCESS.....	2-2
	A. Criteria	
	B. Process	
III.	PROTECTION MEASURES FOR HERITAGE TREES AND LANDMARK SPACES	2-2
IV.	REMOVAL PROCESS FOR HERITAGE TREES AND LANDMARK SPACES	2-3
V.	APPENDICES.....	2-4
	A. Heritage Tree Form.....	2-5
	B. Heritage Tree List and Maps.....	2-6
	C. Landmark Spaces.....	2-32
	D. Significant Trees.....	2-43
	E. Significant Landscapes.....	2-44
	F. Plant Collections.....	2-44
	G. List of Future Projects.....	2-49

SECTION THREE

I.	WHO SHOULD USE THESE GUIDELINES.....	3-1
II.	THE GOAL OF THE GUIDELINES.....	3-1
III.	OVERALL CAMPUS LANDSCAPE OBJECTIVES.....	3-2
IV.	CAMPUS LANDSCAPE DESIGN GUIDELINES.....	3-4
	A. Plan Submittals	
	B. Construction Coordination	
	C. Cost Estimates	
	D. Surveys	
	E. Utility Impacts	
	F. Tree Protection Plan	
	G. Pedestrian Circulation Plan	
V.	PLANTING GUIDELINES.....	3-5
VI.	HARDSCAPE GUIDELINES.....	3-6
	A. Streetscapes	
	B. Parking Lots	
	C. Sitting Areas and Seat Walls	
VII.	WAY-FINDING.....	3-7
VIII.	STORMWATER.....	3-8
IX.	LANDSCAPE CHARACTERISTICS AND GUIDELINES SPECIFIC TO THE THREE DISTRICTS: NORTH, SOUTHWEST, AND SOUTHEAST	3-8
X.	RECOMMENDATIONS FOR LANDSCAPE DESIGNERS WHEN WORKING IN EACH DISTRICT	3-9
	A. North Campus District.....	3-9
	B. Southwest Campus District.....	3-11
	C. Southeast Campus District.....	3-15

XI.	APPENDICES.....	3-19
	A. Broadleaf Evergreens.....	3-20
	B. Deciduous Native Shrubs.....	3-33
	C. Deciduous Non-Native Shrubs.....	3-40
	D. Deciduous Trees.....	3-45
	E. Evergreen Trees.....	3-51
	F. Invasive Plants.....	3-54
